Dear Parents

At the Forest Primary School we aim to provide a happy, secure environment in which children can enjoy learning. Staff work together to ensure that the children in our care gain the best possible start to school life. In partnership with yourselves, we look forward to giving your child an exciting and stimulating education.

The School provides the full range of National Curriculum subjects plus French in Years Five and Six, together with a host of other activities, in and out of school hours. I hope this booklet of information will be useful in answering some of the questions you may have about the School.

If you have any further queries, please feel very welcome to contact the School.

Yours sincerely

G. Le Huray
Head Teacher
